verses 1,2 et 4

In natáli Dómini
Gaudent omnes angeli
Et cantant cum iubilo
Gloriam uni deo.
*Virgo Deum génuit,
Virgo Christum Deum p[r]éperit,
Virgo semper intácta.*

On the birthday of the Lord,
let all the angels praise
and sing with jubilation:
glory to the one God.
*A Virgin bore God,
A Virgin would prepare God,
A Virgin always chaste*

Natus est Emmánuel
Quem predíxit Gábriel
Testis est Ezéchiél
A patre procéssit El.
Virgo Deum...

Emanuel is born,
whom Gabriel foretold,
Ezechiél is a witness,
from the father proceeded El.
A Virgin bore...

Christus natus hódie
Ex María vírgine
Non concéptus sémine
Appáruit hódie.
Virgo Deum...

Christ is born today
from the virgin Mary,
not conceived by seed,
he appeared today.
A Virgin bore....
